Next Agenda - Future Plans

Weekly Hackathons

- Members are required to actively search for and participate in one to two-day hackathons. Mandatory participation is expected within the next two weeks.

Hacktober Fest 2024 Participation

- All members are required to fully engage and complete Hacktober Fest challenges.

Workshop Completion

- All members must get their content approved by seniors and complete the internal workshop sessions as scheduled.

Team Communication and Meetings

- Members must maintain regular communication, interact frequently, and arrange necessary meetings for smooth coordination.
